

GARAGE EQUIPMENT

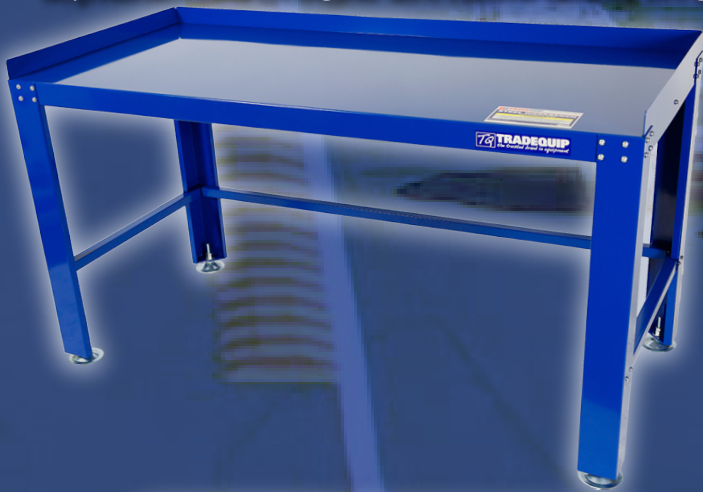

Product Code: **1014T**

EXTENDED LIP EDGE

STEEL WORK BENCH

90KG SAFE WORKING CAPACITY

Specifically designed for professional workshop use, the TradeQuip "Made for the Trade" Steel Workbench is manufactured from high quality, heavy-duty steel and features a large surface for more work space and an extended lip around the surface of the table. The tough high gloss enamel paint finish is designed to provide years of protection against normal wear and tear. Versatile and undeniably strong, TradeQuip workbenches are developed with sophisticated designs to endure demanding industry applications.

FEATURES

- Sturdy steel construction
- High gloss enamel paint finish
- Raised protective edge to work surface
- Adjustable feet for levelling on uneven floors
- Quick and easy to assemble
