

PRODUCT INFORMATION

MOBILE WORK TABLE (Adjustable)

45KG SAFE WORKING CAPACITY

The Heavy Duty steel construction makes this TradeQuip "Made for the Trade" Mobile Workshop Table durable enough for moving tools and car parts to and from the vehicle. Easily handles loads up to 45kg. Solid composite rubber castors ensure you can manoeuvre this mobile workshop table around the workshop without marring the floor. The height adjustment gives you plenty of options for lowered cars or SUV's. This very versatile mobile work top makes any installation or service work flow more efficiently for auto repairers and installation workshops.

Features

- Strong tubular steel construction
- Handy tool storage holders
- Protective Bumper for top tray
- Smooth rolling composite rubber castors
- Height adjustable to most vehicles
- Sturdy main support post
