AIR HYDRAULIC

WORKSHOP PRESS

This TQ Pro "Latest Technologies" 50,000kg Air Hydraulic Workshop Press is capable of bending, pressing or extruding and makes light work of installing ball joints, U-joints and pulleys - making it ideal for many automotive and industrial applications. Polished inner cylinder walls extend the life of the hydraulic seals to minimize abrasion and wear, while the cylinder ram and pistons are also polished and chromed, guided by high performance seals, wear rings and dust seals. Includes a dial gauge for dual metric/tons pressure readings. The 2-speed pump on this hydraulic shop press operates the ram at a slow or fast speed to accommodate a wide variety of pressing applications. Featuring a fast-pump core that allows the pressure head assembly to lower and make contact with the work piece more quickly. The ram cylinder glides across the width of the upper frame allowing off-centre pressing.

Features

- Premium-grade steel built to exacting standards
- Lead-free paint finish
- Paint is oil, grease and dirt-resistant
- High quality large diameter hydraulic cylinder unit
- Push-button air trigger ram travel control
- Polished pneumatic aluminum air pump
- Bed winch with swivel handle
- Integrated overload protection valve
- Extra-long handle
- Foot pedal for pneumatic operation
- Handy removable parts tray
- Includes a set of mandrill pressing attachments
- CNC built in ISO certified facilities

Specifications

- Safe Working Capacity: 50,000kg
- Working Range: 80-780mm
- Overall Height: 1900mm
- Overall Width: 930mm
- Overall Depth: 535mm
- Bed Outside: 295mm
- Bed Inside: 200mm
- Bed Width: 750mm
- Piston Ram Stroke: 145mm
- Screw Adjustment: 75mm
- Ram Diameter: 68mm
- Bed Height Settings: 6
- Nett Weight: 243kg

About the TQ Pro brand

TQ Pro top quality Tools and Equipment are designed and manufactured for specialist professional use in a garage and workshop environment. TQ Pro products are strong, reliable, and well finished for the expert tool user who appreciates professional design, reliability, and attention to detail. Covered by our 12 month trade use warranty, our TQ Pro Tools & Equipment are made with pride to deliver the best combination of professional performance, presentation, and reliability.
