CREEPER TOOL CADDY

25KG SAFE WORKING CAPACITY

This very handy TradeQuip "Made for the Trade" Creeper Caddy keeps nuts, bolts and small tools within reach with its convenient compartments and handy handles. With 2 large and 3 small compartments, organising your next under-car challenge just got easier. The durable ABS impact resistant polymer tray is 50mm tall by 450mm across and 400mm wide and rides on 50mm swivel castors.

FEATURES

- Easy to clean finish
- Oil and solvent resistant
- Won't rust
- 4 smooth-rolling swivel castors
- Impact resistant polymer plastic design
- Built-in parts/tool storage compartments
